Dear Richards,

I am very sorry Scott was the man to fall. I have heard nothing further.

On Friday, between 12 & 3 I will be with you.

Taylor rec'd a letter yesterday from Severn. Keats could ~~not~~ exist longer than a fortnight, — it is all over. Severn is ill.

Yours most truly,
Chas. Brown
Hampstead. Sunday.

Miss Brawne has just told me she has heard that the ball has been extracted, & that Scott is likely to recover.
